

RACE CAR COMPETITION

Car Requirements

1. Each competitor must build his or her own race car.
2. All cars must conform to the following specifications:
 - Length – maximum 18". Cars cannot extend beyond, over, or above the start gate pin (pin is 1-1/2" high). A 1/2" wide bumper in the center of the car both on the front and the back is required to make contact with the pin. See illustration.
 - Width – maximum 6".
 - Height – maximum 6".
 - Weight – maximum 1 lb. 8 oz.
 - Race cars can only be gravity powered.
 - Race cars must use at least three maintenance supply parts (wood does not count).
 - Glass may not be used on race cars.
 - Approved yellow competition wheels provided by the Houston Apartment Association must be used and may not be altered or modified (2 small in front, 2 large in back).
3. Only participants who enter a car are eligible for awards.

Competition Instructions

1. You have the option to test the car on the track to make final adjustments before check-in.
2. Check in your car at People's Choice Award table before racing or beginning any of the competition games. Award will be given to the favorite car chosen by attendees.
3. Race cars will be marked with the corresponding competitor number and can no longer be tested or modified.
4. Competitors can race their cars at any point during the competition and are not required to complete other games first. Return your car to People's Choice Award table after racing.
5. Cars are raced twice, once down each lane.
6. Total competition time is the sum of the two runs.
7. Competition awards will be given to the top three race cars of the competitors who have completed all 6 games.
